Privacy Impact Assessment

In accordance with Section 208, Privacy Provisions, Title III, E-Government Act of 2002 (PL 107-347), December 17, 2002, a review of the Governmentwide Accounting (GWA) System was conducted to determine if the system collects, maintains, or disseminates information in an identifiable form on an individual subject to the provisions of the Privacy Act of 1974 as amended (5 U.S.C. 552a).

A review of the data attributes of the system revealed the system does not collect information from the public and the information within the system is for internal government operations.

No Privacy Impact Assessment is required (OMB Memorandum 03-22, OMB Guidelines for Implementing the Privacy Provisions of the E-Government Act of 2002, September 26, 2003).
